Expérience

AIM-IT Consult Software Engineer Intern juillet 2024 - Present (2 mois) El Menzah, Gouvernorat Tunis, Tunisie

As a Software Engineering Intern at AIM-IT Consult, my mission is to develop a ticketing system platform using Spring Boot and Angular, and integrate it into Dynamics 365 Central. AIM-IT Consult provides strategic guidance and cutting-edge technology solutions that elevate your most complex initiatives, drive sustainable growth, and empower your organization to thrive.

Formation

ESPRIT (Ecole Supérieure Privée d'Ingénierie et de Technologies) Diplôme d'ingénieur, Ingénierie informatique · (septembre 2022)
